1	General			Please furnish the Payment Schedule of the Consultants.	<b>Mentioned in Special Conditions of Contract 41.2 Clause</b>
2	Page no.51 of RfP Section 7, Clause 7.2 - Scope of Work			<p>Please confirm</p> <p>1. Whether 5% of the sample to be conducted for one sample DMA or for all DMAs?</p> <p>2. Whether the DMAs were established already in the Distribution system or the Consultant has to form the DMA? Without the details of the distribution system (reservoirs, distribution system layout, location of valves, topographical survey of the project area, dsystem length, dia, material etc.) estimating the cost for forming the DMAs is not possible also time given to complete the project is grossly insufficient)</p> <p>3. Whether formation of one DMA is sufficient, in which NRW assessment will be made and the results will be extrapolated for the remaining DMA ? OR several DMAs has to be formed to cover all the HSCs to make a realistic NRW assessment?</p> <p>4. Consumer meters to be procured or available at consumer end.</p>	<p><b>1. 5% Sample for all DMA</b></p> <p><b>2. DMA is already stablished however further needs to be crosscheck Concern ULB/Jal nigram</b></p> <p><b>3. DMAs has to be formed to cover all the HSCs to make a realistic NRW assessment.</b></p> <p><b>4. Consumer meters to be procured by consultant.</b></p>
