

JHANSI NAGAR NIGAM
ULB CODE: 801030

NOTIFICATION

It is hereby notified that the Municipal Corporation Jhansi has established 15 Mini Dry Waste Exchange Centres within its jurisdiction for the collection and management of dry waste/e-waste/Recyclables.

Each Mini Dry Waste Exchange Centre has a handling capacity of approximately 5 tonnes per day (TPD). These centres facilitate the collection, segregation of various categories of dry waste such as plastic, paper, metal, glass, rubber, thermocol, and e-waste, thereby promoting proper recycling and resource recovery. The list of all 15 Mini Dry Waste Exchange Centres is enclosed herewith for reference.

Jhansi Nagar Nigam is committed to sustainable and scientific solid waste management, in compliance with the Solid Waste Management Rules, 2026, and continues to enhance its waste processing and disposal infrastructure in line with national and state-level guidelines.
